

From industry to academia: my personal story

Mani Pillai

Doctoral Researcher, Brunel Business School

@manipillai1886

Working Class Academics Conference

14 July 2020

Background

- Singapore
- Career in the UK
- Moving to academia

Research interests

- Feedback from Professors  changes
- Class and ethnicity in white collar professions
- Hybrid between business and sociology

What I learnt

- Post-colonial theorists
- Class remains an omission or a post-script in the field
- Decolonisation of curriculum - whose voice is missing in this call to arms?
